How old were you when you started your first racing stable? 15

Who is your mentor? Willie Florance

Which horse was your favorite to train and race?
MAYFAIR WINSTON & DR MLK

Why were these horses your favorite? Because they were both a challenge to train

Briefly describe your training strategies for preparing a two year old to race:
Keeping them in a jog cart until its time to turn to the gate

Do you use different training strategies for preparing a two year old to race?
Yes, I put less work into claimers than the stake horses

What advice would you give someone wanting to become a first time trainer?
Listen and you will learn

What hobbies do you enjoy not related to horse racing?
Going to a car lot and my business
